

Blanchard River Watershed Flood Risk Management Study  
City of Findlay, Hancock County, Ohio  
Participation in the Section 106 Process of the  
National Historic Preservation Act

Consulting parties who participate in the Section 106 process for the Blanchard River Watershed Flood Risk Management Study will help to identify and evaluate cultural resources (both archaeological and architectural). Please provide any questions and comments you may have after reviewing the study information.

If you wish to be formally designated as a consulting party for this study, you are requested to complete this form and return it to the following address:

Ms. Jan Marie Hemberger  
U.S. Army Corps of Engineers-Buffalo District  
Attn: CELRB-PM-EA  
1776 Niagara Street  
Buffalo, NY 14207-3199

You may also e-mail this information to: [jan.m.hemberger@usace.army.mil](mailto:jan.m.hemberger@usace.army.mil) or fax it to Ms. Hemberger's attention at (502) 315-6864.

Please return this form by April 30, 2015

My contact information is:

Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
Email: \_\_\_\_\_  
Telephone: \_\_\_\_\_

Please check (✓) all that apply:

\_\_\_\_\_ Yes, I want to be a Section 106 consulting party on the Blanchard River Watershed Study.  
I am interested in:

- \_\_\_\_\_ Archaeological Resources (Native American, early settlement and/or cemetery sites)
- \_\_\_\_\_ Architectural Resources (old houses/buildings 50 years old or older)
- \_\_\_\_\_ Both Archaeological and Architectural Resources

\_\_\_\_\_ No, I do not want to be a Section 106 consulting party on the Blanchard River Watershed Study.

\_\_\_\_\_ I am aware of others who are not currently included on the list of potential consulting parties and should be contacted

\_\_\_\_\_ I am aware of archaeological/architectural sites that are in or near the project.
