
US Army Corps of Engineers
Buffalo District

General Notes

The information depicted on this map represents the results of surveys made on the date indicated and conforms to accepted standards and specifications in effect at the time of survey. Unless otherwise specified, all depths and soundings are in feet and referred to the International Great Lakes Datum 1985 (IGLD 1985) and all horizontal positions are referred to North American Datum 1983 (NAD83). See the Site Specific Notes area for appropriate datums.
