

Blanchard River Watershed Flood Risk Management Study
City of Findlay, Hancock County, Ohio
Participation in the Section 106 Process of the
National Historic Preservation Act

You have been identified as a potential consulting party to participate in the Section 106 process to identify and evaluate cultural resources (both archaeological and architectural) related to the proposed Blanchard River Watershed Flood Risk Management Study.

If you wish to be formally designated as a consulting party for this study, you are requested to complete this form and return it to the following address:

Ms. Jan Marie Hemberger
U.S. Army Corps of Engineers, Louisville District
CELRL-PM-P-E
P.O. Box 59
Louisville, Kentucky 40201-0059

You may also e-mail this information to: jan.m.hemberger@usace.army.mil or fax it to Ms. Hemberger's attention at (502) 315-6864.

My contact information is:

Name: _____

Address: _____

Email: _____

Telephone: _____

Please check (✓) all that apply:

_____ Yes, I want to be a Section 106 consulting party on the Blanchard River Watershed Study.
I am interested in:

- _____ Archaeological Resources (Native American, early settlement and/or cemetery sites)
- _____ Architectural Resources (old houses/buildings 50 years old or older)
- _____ Both Archaeological and Architectural Resources

_____ No, I do not want to be a Section 106 consulting party on the Blanchard River Watershed Study.

_____ I am aware of others who should be contacted about being a consulting party

_____ I am aware of archaeological/architectural sites that are in or near the project.
