SUMMARY

Ron called earlier in the day while I was away, so I returned his call. He apparently lost the letter he sent me responding to my request for him to join the TRC. He will be a member! Ron is primarily interested in the disposition of the AF Plant 38 property. He believes the property could be a good location for a future industrial park. (Ron is a supervisor for the town of Porter). The Town of Porter purchased 2 acres of the AF Plant 38 property several years ago and built a water tower on the property.

It also offered the following information:

- John Syms property was once designated a foreign trade center & had 4 or 5 businesses operating
- Bell Aerospace had maps of the entire AF Plant 38 complex
- Ron has old maps of the AF Plant 38 area dating back to the 1930's.
