

# Blanchard River Watershed Study Hancock County, Ohio

## Section 106, National Historic Preservation Act

You are invited to a Section 106 consultation meeting that will be convened with Consulting Parties to formulate a Programmatic Agreement to identify and evaluate historic properties as well as the effects that proposed flood risk management measures may have on these properties.

Date: Thursday, October 8, 2015

Time: 12:00-4:00 p.m.

Hancock County Agricultural Center (Assembly Hall)  
7868 County Road 140  
Findlay, Ohio

More detailed information regarding this meeting  
will be available on the project website:
