

Blanchard River Watershed Study Hancock County, Ohio Section 106, National Historic Preservation Act

You are invited to a Consultation Meeting to discuss the Section 106 review process and present your questions and comments on cultural resources which you believe should be considered during the Blanchard River Watershed Study. If you choose to participate as a Consulting Party, you will be asked to help delineate the project's Area of Potential Effect, define the scope of future activities required to find and evaluate historic properties, and formulate plans to resolve potential adverse effects resulting from proposed flood risk management measures. At this time, your views and comments will be considered in the formulation of a Programmatic Agreement that will be used to direct the project's remaining Section 106 review. You may submit any written questions/comments in advance of the meeting via e-mail to: jan.m.hemberger@usace.army.mil.

Date: Monday, November 9, 2015
Time: 6:30-8:30 p.m.

Hancock County Engineer's Assembly Room
