SUBJECT

Federal Agency Hazardous Waste Compliance Docket, and how it pertains to the former Lake Ontario Ordnance Works.

SUMMARY

I called Helen and referenced the letter I had received from Region II dated 15 August 88. I told her that it was unclear from the letter just what EPA wanted us to do. She stated that the intent of the letter was to indicate that EPA was taking all "former" federal facilities off of the original Hazardous Waste Compliance Docket. Thus, because Lake Ontario is a "former" federal facility, there is nothing for us to do. The site will be taken off the Hazardous Waste Compliance Docket.
