SUBJECT

TRC For Lake Ontario Ordnance Works project

SUMMARY

I called Ted to determine the status of EPA's response to the KCD letter of 28 September 1988 requesting that EPA provide the name of an individual to serve on the TRC. Ted said a letter has been written and should leave Region II soon. Ted has been designated to serve on the TRC. Ted also indicated that the letter will ask that we no longer send Lake Ontario submittals to Tracy LaCosla at EPA HQ. An alternative individual will be appointed to receive the HQ submittals.

ACTION REQUIRED

Notify Acres of submittal change when EPA letter is received.
