TIMELINES

BUILDING STRONG®

Historical Timeline

1910-1966
- Site owned/operated by Simonds Saw and Steel Company to manufacture steel and specialty steel alloys. From 1948 to 1956, work was done under Federal contract at the site.

1966-1978
- Site owned/operated by Wallace-Murray Corporation.

1978-1982
- Site owned/operated by Guterl Specialty Steel Corporation, until they filed for Chapter 11 bankruptcy protection in 1982.

1984-present
- Allegheny Ludlum Corporation purchased Guterl's assets, less the Excised Area.
