Dear Ms. Barker:

The Project received your request for 43 documents pertaining to Lake Ontario Ordnance Works via Mike Kubiak and is pleased to provide them to you. They are on the IronKey secure flash drive which accompanies this letter. We trust that this will fulfill your request. Please call me at 513-758-1639 for the password to open the IronKey, or for any other questions you may have.

A FedEx return authorization is included in this package for the return of the IronKey after you have downloaded the documents.
