Dear [REDACTED]:

The purpose of this memo is to convey my sincere appreciation for your efforts to supply me with 43 documents pertaining to the Lake Ontario Ordnance Works. As we mentioned, these documents were not part of our current document repository. Enclosed with this memo is the iron key that was used to transfer these documents. We were able to successfully download them from the jump drive.

Again, I'd like to express my sincere appreciation for your assistance.

Sincerely,
