Dear News Director:

FUSRAP - NIAGARA FALLS STORAGE SITE (NFSS) - TRANSMITTAL OF PUBLIC SERVICE ANNOUNCEMENT

Your use of the enclosed public service announcement would be most appreciated. Your station has the ability to reach many members of the community who might want to learn more about DOE's work at the NFSS.

Please give me a call if you would like additional information. My telephone number is (615) 576-7477, or you may call our toll-free public access line at 1-800-253-9759 and leave a message. The number on the public service announcement is that of Arleen Kreusch, who is the site administrative coordinator at the Niagara Falls Site. Ms. Kreusch can also assist you in getting in touch with me.

Sincerely,

Ronald E. Kirk

Public Invited to Information Session at Niagara Falls Storage Site

The U.S. Department of Energy is holding an informal public information session at its Niagara Falls Storage Site on Thursday,

January 13th. Members of the public are welcome to come by at any time between the hours of 4 and 6 p.m. The facility is located at 1397 Pletcher Road near Lewiston. The D.O.E. Site Manager will be available to answer questions or concerns that local public officials and citizens have about the site. The D.O.E. facility in Niagara Falls is the former Lake Ontario Ordinance Works. For directions or for more information, please call 754-4442. That number again is 754-4442.
