Mr. Tom Sharp, Supervisor  
Town of Lewiston  
1375 Ridge Road  
Lewiston, New York 14092

Dear Mr. Sharp:

**FUSRAP - NIAGARA FALLS STORAGE SITE - INVITATION TO AVAILABILITY SESSION**

The purpose of this letter is to cordially invite you to the Availability Session being held on April 21, 1994, from 4 p.m. to 7 p.m. at the Niagara Falls Storage Site located at 1397 Pletcher Road, Lewiston, New York. The U.S. Department of Energy (DOE) holds these sessions quarterly to provide an opportunity for members of the public to meet informally with DOE representatives to discuss activities being conducted under the Formerly Utilized Sites Remedial Action Program (FUSRAP).

The enclosed advertisement provides additional information about the session. The advertisement is also scheduled to appear in the Niagara Gazette and Union Sun and Journal newspapers.

If you require further information, please do not hesitate to contact me at (615) 576-7477.

Sincerely,

*Ronald E. Kirk*

***The U.S. Department of Energy  
Cordially Invites the Public  
to an Availability Session  
on April 21 from 4 - 7 p.m.  
at its Niagara Falls Storage Site  
near Lewiston, N.Y.***

Ronald E. Kirk, the DOE site manager, will discuss DOE's work at the site and answer questions. The site, once a part of the U.S. Army's Lake Ontario Ordnance Works, has been cleaned up under DOE's Formerly Utilized Sites Remedial Action Program. Contaminated material from the cleanup is stored in a waste containment structure on the site.

The Niagara Falls Storage Site is located at 1397 Pletcher Road, Lewiston, NY. For more information or for directions to the site, call Arleen Kreusch, site administrative coordinator, at (716) 754-4442.
