ROLE To Review Environmental Events

RESIDENTS Organized for Lewiston-Porter's Environment (ROLE), will hold its regular monthly meeting 7 P.M. Wednesday, December 7 at the First Presbyterian Church, 505 Cayuga St.

A review of the year's environmental events, as well as current issues, will be on the agenda. Questions for discussion will be Are regulations just licenses

to pollute? and Who protects us from the EPA?

"From the LOOW site, CWM and Modern to clay mining and radio towers, Mother Nature has been getting mugged on a regular basis," said ROLE President Tim Henderson.

Concerned residents are encouraged to attend. Refreshments will be served.
