Mr. Robert A. Bessent
Sr. Environmental Manager
Maxim Technologies Inc.
1908 Innerbelt Business Center Drive
St. Louis MO 63114-5700

Dear Mr. Bessent:

The City has completed the review of your request dated December 22, 1999 which solicited permission to discharge wastewater generated during remedial work at the Niagara Falls Storage Site located in Lewiston, New York.

Subsequent to the review of the data submitted the City hereby approves of this one time discharge subject to the following conditions.

- a) The discharge will be limited to 10,000 gpd.
- b) All standards and limitations listed in the Sewer Use Ordinance Chapter 250 will be adhered to.
- c) The transport company Maxim chooses to haul the wastewater will receive prior approval from the City and obtain the proper insurance certificates prior to entering City property.
- d) The transporter will complete a Hauled Waste Manifest upon entering the Wastewater Facilities for each load.
- e) The wastewater disposal fee will be charged at a rate of 4¢ per gallon. In addition, a permit application fee of \$100.00 will be assessed.

This approval is effective January 10, 2000.

Sincerely,
DEPARTMENT OF WASTEWATER FACILITIES

Albert C. Zaepfel
