Dear Sir or Madam:

Enclosed is a Notice of Intent or Termination (NOIT) to renew the SPDES permit (ID No: NYR00B156) for the Niagara Falls Storage Site (NFSS) under the new Multi-Sector General Permit (MSGP) requirements. Also enclosed is a copy of the site Stormwater Pollution Prevention Plan (SWPPP), a required plan in order to obtain coverage under the MSGP.

Stormwater does discharge from the NFSS, however we have no industrial activity occurring at the site to impact its quality. Details have been provided in the enclosed submission. Should you have questions or need additional information, please contact me at (716) 879-4234 or by Email at judith.s.leithner@usace.army.mil.

Sincerely,

Judith S. Leithner
