SUBJECT: Restoration Advisory Board, Former Lake Ontario Ordnance Works, Niagara County, New York

Dear Concerned Citizen:

The U.S. Army Corps of Engineers has established a Restoration Advisory Board (RAB) for the former Lake Ontario Ordnance Works site in Niagara County, New York.

We were fortunate to receive a large response from many citizens and greatly appreciate your interest in this effort. Since we were unable to select all the individuals that expressed interest in the board, we are keeping the applications received on file to allow for possible additions if future board openings occur.

An independent panel reviewed all the applications and selected the individuals identified on Table 1 (attached) to serve on the board.

The Restoration Advisory Board will meet on a bimonthly or quarterly basis and meetings will be open to the public. The first meeting will be on June 29, 1999 at the Lewiston-Porter Central School boardroom at 4061 Creek Road, Youngstown, New York from 7:00 to 9:00 p.m. We encourage you to attend and participate.

Any questions related to the Restoration Advisory Board may be directed to Ms. Sandra Chaloux by calling 1-800-232-7074.

Sincerely,

Ray Pilon

Raymond L. Pilon
Project Manager
