Mr. Moretti:

I'm writing to thank you for visiting us at the U.S. Army Corps of Engineers Niagara Falls Storage Site (NFSS) project. Enclosed please find additional background material on this site and the surrounding Lake Ontario Ordnance Works (LOOW) site. I've included hardcopy and digital copy historic photographs, maps, briefing slides, and information on public participation in federal environmental remediation projects.

Please feel free to contact me at any time. You may contact me at 716-879-4418 or by email at william.e.kowalewski@usace.army.mil. Thanks again for your interest in our projects.
