Hi Arlene,

I hope the New Year is treating you well. I am checking in on the path forward on the potential technical facilitation procurement (e.g., do you intend to move forward with a procurement, likely timing, set-aside status, etc). Any information you are able provide would be appreciated.

Take Care

Kevin

Hello Kevin,
A sources sought is going to be placed on www.fbo.gov next week if you are interested in submitting an offer of interest for the technical facilitation we discussed regarding Niagara Falls Storage Site. John will send you the actual number because I will be out of the office next week. Have a Happy Thanksgiving.
Sincerely,
