Dear [REDACTED] and [REDACTED]:

Given the recent work from [REDACTED] identifying data related to concerns about leaking at the NFSS, it seems prudent to add that report to the agenda and request that she be conferenced in to explain her concerns.

I propose that we set aside a specific time for that in the meeting, perhaps after the first hour, but request that [REDACTED] be added to the meeting via conference call. Is that feasible at the District office?

Thanks
