[REDACTED],

I am currently reviewing the data, which you included with your August 30, 2010 letter re. the NFSS Interim Waste Containment Structure. Thank you and the rest of the USACE team for taking time to address my concerns; as soon as I have completed my review and discussed with the RAB, we will contact [REDACTED], as requested.

As you are aware, [REDACTED] of EPA has been very much involved in NFSS issues and informs me he had received a copy of your response to me. However, there was no list of persons/agencies copied on your letter to me. I would be grateful if you would please email me a list of those copied on the correspondence.

Many Thanks,

[REDACTED].
