Hi [REDACTED] -

That's a great idea for the public.

However, given that my review of Corps activities has been as significant as those of [REDACTED], it seems unfair to restrict my access to the videos in a way the Corps did not restrict [REDACTED]

Would the Corps consider making a copy for me as well? Is that an unreasonable request from your perspective given the history?

Hi [REDACTED],

We are going to work with the Lewiston Library to make a set available to the community for checkout.

Thanks for checking. The Corps had previously supplied videos to [REDACTED] and or [REDACTED] a couple years back - you might want to check with folks, but that being said, would I be allowed the same access/cost as others?

Hello [REDACTED],  
I talked with [REDACTED] last Friday. [REDACTED] indicated he made and provided a copy of the DVDs to [REDACTED]. He did not mention making copies for anyone else. He sent the set he had back to me.

H [REDACTED] -

You were going to check with [REDACTED] to determine whether the Corps has provided these discs free of charge to other members of the public. I understand there have been a minimum of 2, possibly 3 sets distributed free of charge already. Please advise.

Thanks,

[REDACTED]

[REDACTED]

With reference to your FOIA request for copies of NFSS videos, please be advised that there are 20 DVDs and the cost per DVD is \$5.00. This would make the cost \$100.00 which is more than you had agreed to pay. Therefore, per your instructions, I am withdrawing the request.

If the cost is more than \$5, please withdraw the request.

Thank you.

[REDACTED] - To clarify, I am willing to pay up to \$5.00, in total, for a response to this request. If the cost exceeds that amount, please advise what the total amount would be.

[REDACTED], please consider this the FOIA request, provided I can remit a \$5 check to [REDACTED] for delivery at tonight's meeting. I would also note that the Corps has already provided disks to certain members of the community at no cost.

Hi [REDACTED]

I understand there are many copies of the discs for the 1980's+ NFSS construction and loading videos. Could you bring an extra set tomorrow night? (I'm a bit concerned about trying the U.S. mail a third time.)
