

News from the Corps

Sent: Thu 09/1/2011 3:58 PM

Hello from the U.S. Army Corps of Engineers Buffalo District,

The Defense Environmental Restoration Program for Formerly Used Defense Sites (DERP-FUDS) Occidental Chemical Corporation Property Data Gap Fall 2011 Sampling Plan is now available on our website at the link below in the Document Section under Scopes of Work/Work Plans. This document includes: the Field Sampling Plan Addendum, Quality Assurance Project Plan Addendum, and the Site Safety and Health Plan Addendum.

The Corps welcomes your input throughout our investigations of the former LOOW Site. Our next workshop for the former LOOW Site will be in regard to the Phase IV Remedial Investigation Report and will be held on Wednesday, November 2, 2011, in the Lewiston Senior Center, 4361 Lower River Road, Youngstown, NY 14174.
