

Niagara Falls Storage Site News from the Corps

Sent: Wed 1/13/2016 2:02 PM

Hello from the U.S. Army Corps of Engineers Buffalo District:

The public meeting regarding the Niagara Falls Storage Site (NFSS) Interim Waste Containment Structure (IWCS) Operable Unit (OU) will be conducted this evening, Wednesday, January 13, 2016, beginning at 6:30 p.m. at the Town of Lewiston Senior Center, 4361 Lower River Road, Youngstown, New York, 14171.

The Corps of Engineers regards public safety as our number one priority and, as a result, the presentation for tonight's meeting is now on our website for those unable to attend due to inclement weather conditions. If conditions change a cancellation message will be conveyed through local news stations.

If you are unable to attend the meeting your comments may still be submitted. The comment period for the proposed plan ends February 6, 2016. Written comments may be emailed to fusrap@usace.army.mil, or mailed to the U.S. Army Corps of Engineers, Buffalo District, Attention: Environmental Project Management Team, 1776 Niagara Street, Buffalo, New York 14207.

The proposed plan and supporting documents, including the Feasibility Study, the posters, the NFSS History Video and the presentation for tonight's meeting are available on the web at:
