Subject: [EXTERNAL] NIAGARA FALLS STORAGE SITE
Date: Friday, February 05, 2016 1:55:21 PM

I support the proposed alternative #4 to remove all of the IWCS contents at the Niagara Falls Storage Site and ship them offsite, and as soon as possible. I believe that this is critical not only for our community, but for the millions of people that depend on fresh water from Lake Ontario.

Thank you.
