

**PUBLIC DIALOGUE HOSTED BY
THE LAKE ONTARIO
ORDNANCE WORKS
RESTORATION ADVISORY BOARD
(RAB)**

Free and open to the public

Tuesday, June 8, 2004

7-9 p.m.

Lewiston Senior Center

4361 Lower River Road, Youngstown

This information session will provide an update on work being conducted by the U.S. Army Corps of Engineers at the former Lake Ontario Ordnance Works and Niagara Falls Storage Sites. Included will be a series of information stations for attendees to visit, new information concerning ongoing investigations at each site, and an expanded Question & Answer session. Further information is available by contacting RAB chairs Ann Roberts at 745-1032 or Rebecca Zayatz at 754-0279 or Corps representative Nancy Sticht at 879-4134.
