NYUS

1. **Authority:** Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. section 9601 et seq.)
2. **Principal Purposes:** To obtain information from individuals in attendance at public meetings. Requested data include name, address, title/occupation, representing self or organization, and address of organization. The form also asks if the individual desires to make an oral or written statement concerning the planned activity under discussion, and requests the subject of the statement.
3. **Routine Uses: Purposes of the form are:**
  - a. To obtain data to be used in formulation mailing lists to notify appropriate individuals of future meetings.
  - b. To learn the desires of the individual regarding statements he/she wishes to make at the meeting or intends to submit, so that no person will be overlooked.
  - c. To gather brief occupational profile information to facilitate agency correlation of views and areas of expertise.
4. **Mandatory or Voluntary Disclosures and Effect on Individual Not Providing Information:** All information requested is voluntary. Public meetings are held to offer individuals an opportunity to participate in the planning process. The only effect on the individual in the event he/she chooses not to furnish requested information is that the effectiveness of his/her participation would be lessened to whatever extent he/she elected to remain anonymous.
