### Lake Ontario Ordnance Works Site Restoration Advisory Board Public Meeting

June 29, 1999

7:00 p.m.

Meeting Location: Lewiston-Porter Central School  
4061 Creek Road, Youngstown, NY 14174

The first meeting of the Restoration Advisory Board (RAB) for the former Lake Ontario Ordnance Works site will be held on June 29, 1999 at Lewiston-Porter Central School in the Board Room located at 4061 Creek Road in Youngstown. The meeting will be from 7:00-9:00 p.m.

The Army Corps of Engineers is conducting environmental investigations and cleanup activities as a part of the Defense Environmental Restoration Program for Formerly Used Defense Site (DERP-FUDS). The RAB gives the public the opportunity to regularly review progress and participate in dialogue about restoration efforts at the former site. RAB meetings are open for public attendance and participation and provide an opportunity for interested parties to comment on environmental restoration efforts to government decision makers. All interested parties are encouraged to attend.
