## Niagara Falls Storage Site

Pre-1986

### Site Employee Interviews

The U. S. Army Corps of Engineers, Buffalo District, would like to interview employees that worked at the Niagara Falls Storage Site before 1986.

The purpose of these interviews is to gather information regarding former site activities. The information will be used for the remedial investigation that is being performed for the site under the Formerly Utilized Sites Remedial Action Program.

If you worked at the site prior to 1986 and would be willing to volunteer your time for an interview, Please call (716) 879-4438 or 1-800-833-6390 to make an appointment.
