### **Lake Ontario Ordnance Works Site Restoration Advisory Board Public Meeting**

**September 15, 1999**

**7:00 p.m. - 9:00 p.m.**

**Meeting Location: Lewiston-T inter Central School  
Primary Building, Board Room  
4061 Creek Road, Youngstown, NY 14174**

The Army Corps of Engineers is conducting environmental investigations and cleanup activities at the Former Lake Ontario Ordnance Works as a part of the Defense Environmental Restoration Program for Formerly Used Defense Sites (DERP-FUDS). The Restoration Advisory Board (RAB) gives the public the opportunity to regularly review progress and participate in dialogue about restoration efforts at the former site. RAB meetings are open for public attendance and participation and provide an opportunity for interested parties to comment on environmental restoration efforts to government decision makers. All interested parties are encouraged to attend.
