US Army Corps  
of Engineers  
Buffalo District

## We Need Your Input!

The US Army Corps of Engineers Buffalo District is seeking your input to help plan and schedule outreach activities for 2009 supporting our projects at the former Lake Ontario Ordnance Works (LOOW) Site. The community's communication needs and desires will be used to develop the Corps' Community Relations Plan. Public involvement activities complement the Corps' mission to address environmental contamination at the former LOOW Site from past Department of Defense activities.

- Tell us how you want to be involved
- Tell us what your concerns are
- Tell us what you would like to know
- Tell us how often you want to hear from us and what methods or activities you would like us to sponsor in our outreach program

- Please send us an e-mail: **[derpfuds@usace.army.mil](mailto:derpfuds@usace.army.mil)**
- Mail a letter to us:

**USACE**  
**Attn: Special Projects**  
**Team - Outreach**  
**1776 Niagara Street**  
**Buffalo, NY 14207**

- Or, call us to be interviewed at: **716-879-4438**

The information you provide may be used to help develop community relations plans for other sites within the Buffalo District.

### **We look forward to receiving your input!**

The next scheduled outreach event for the Buffalo District is the second information session regarding the Niagara Falls Storage Site Remedial Investigation Report. This session is scheduled for Wednesday, September 10, 2008, beginning at 6:30 p.m. at the Lewiston Senior Center, 4361 Lower River Road, Youngstown, NY 14174.
