Record of Decision Available Interim Waste Containment Structure Operable Unit Niagara Falls Storage Site

The U.S. Army Corps of Engineers Buffalo District is pleased to announce the availability of the record of decision for the Interim Waste Containment Structure (IWCS) Operable Unit (OU) of the 191-acre Niagara Falls Storage Site (NFSS) located in Lewiston, New York, on the web at: <https://www.lrb.usace.army.mil/Missions/HTRW/FUSRAP/Niagara-Falls-Storage-Site/> in the Reports Section.

The record of decision documents the Corps of Engineers' selected remedy for the IWCS, which is excavation, partial treatment, and off-site disposal of the entire contents of the IWCS. Responses to comments received from the community are included as Part III of the record of decision.

The selected remedy is protective of human health and the environment, complies with federal and state requirements that are applicable or relevant and appropriate to the remedial action, is cost-effective, and utilizes permanent solutions and alternative treatment technologies to the maximum extent practicable.

The Corps of Engineers is the lead federal agency responsible for Comprehensive Environmental Response, Compensation, and Liability Act actions at the NFSS, which is being addressed as part of the Formerly Utilized Sites Remedial Action Program (FUSRAP). The IWCS OU is an engineered landfill that occupies 10 acres in the southwestern portion of the NFSS.

The record of decision and supporting documents, are available electronically in the administrative record file for the NFSS located in the Town of Lewiston Public Library, 305 South Eighth Street, Lewiston, New York; the Youngstown Free Library, 240 Lockport Street, Youngstown, New York; and the Ransomville Free Library, 3733 Ransomville Road, Ransomville, New York. The administrative record file is also available for review by appointment at the Buffalo District Office Library located at 1776 Niagara Street in Buffalo, New York.

For further information please e-mail fusrap@usace.army.mil, or call (800) 833-6390.
