LIMITED TO DIABETIC MEDICINE

[REDACTED] [REDACTED] SITE MANAGER  
[REDACTED] [REDACTED] NEW YORK

DEAR [REDACTED] [REDACTED]

THANK YOU AGAIN FOR YOUR NOVEMBER PRESENTATION TO THE MEDICAL STAFF FO THE KENMORE MERCY HOS-  
PITAL. YOU HAVE BEEN OBJECTIVE IN YOUR PUBLICITY, AND OPEN TO COMMENT. HAVE REVIEWED YOUR  
SUMMARY MATERIAL, AND READ DR. MARTIN HAAS' STUDY.

OUR PHYSICIANS FEEL THERE IS LITTLE IF ANY RISK TO THE LOCAL POPULACE FROM THE LINDE AND OTHER  
TONAWANDA SITES. THOSE WHO BELIEVE IN HORMESIS (SEE BELOW) EVEN TRUMPET A STIMULATIVE BIOLOGI-  
CAL EFFECT. THE DEEPER ORIGINS OF THE EASILY BLOCKED ALPHA RADIATION WOULD BE BETTER LEFT UN-  
DISTURBED, BEALLY. BUT THEN THERE IS THE 10 BILLION ANNUAL-AND -RISING SUPERFUND. (DON'T GET  
ME STARTED!). YES, CERCLA, BORN OF THE HYSTERICS OF THE LOVE CANAL RIPOFF.

IN THE EARLY '40'S WE OFFICERS IN THE ARMY'S MEDICAL CORPS WERE SINCERELY GRATEFUL TO THE "LINDE  
SOLDIER", WHOSE EFFORT IN THE MANHATTAN PROJECT SAVED POTENTIALLY HUNDREDS OF THOUSANDS OF THEIR  
BUDDIES IN THE FAR EASTERN COMMAND (FECOM 1945).

SOME OF THE PUBLIC COMMENT AT THE DECEMBER KENMORE WEST MEETING WAS SCIENTIFICALLY LOOSE. AT  
LEAST TO THIS HANDS-ON LAB INTERNIST. JUST AS NO ONE HAS DIED IN THE U.S. NUCLEAR POWER INDUSTRY,  
NO ONE HAS BEEN PROVEN HARMED BY LOW LEVEL WASTE (LLW) EXPOSURE. THE OFFICIAL LIMITS ARE SET SO  
RIDICULOUSLY LOW (PURPOSELY?), THAT EVEN THE HUMAN BODY QUALIFIES (0.1 MICROCURIE EACH OF POTAS-  
SIUM AND OF CARBON 14) AS LLW! THE IDENTICAL LIMITS DISQUALIFY THE LABORATORY ANIMAL, BUT NOT THE  
HUMAN BODY, FOR CREMATION OR BURIAL. IN THIS CONTEXT CONSIDER THE FOREST LAWN-SCAJAQUADA-NIAGARA  
RIVER STRAIT (WATER INTAKES) RUNOFF. BUT THEN THE SCENARIO OF HORMESIS COMES TO MIND. HORMESIS,  
WHEREIN RAT COLONIES EXPOSED TO URANIUM DUST LIVED LONGER, WERE HEALTHIER, AND REPRODUCED BETTER  
THAN THE "NON-STIMULATED" BEASTIES! THIS WAS A MANHATTAN PROJECT STUDY, LATER BROADENED BY OTHERS  
YIELDING SUPPORTIVE DATA IN VITRO AND IN VIVO.

LOCAL RESISTANCE TO YOUR CHOICE OF ACTION SEEMS TO INCLUDE THE POLITICALLY DRIVEN SECTOR, AS WELL  
AS THE SCIENTIFICALLY AND EMOTIONALLY MISGUIDED. THESE FOLKS YOU WILL NEVER CHANGE, AND THEY  
SPEAK LOUDER, AND THEY HAVE THE VOTES. WITNESS THE BAN ON PROTECTIVE IRRADIATION OF PREPACKAGED  
MEAT, FISH, AND FOWL (THE ONLY METHOD OF NON-THERMAL EGG STERILIZATION), WHILE MILLIONS BECOME  
ILL, AND HUBREDS EVEN DIE, OF CONTAMINATED FOODS AND FRUIT. THESE NICE PEOPLE MAY ALSO BELIEVE  
IN EARTH WARMING, THE OZONE DEPLETION, AND IN THE ACID RAIN RIPOFFS. PATIENCE, [REDACTED] PATIENCE!

SINCERELY  
[REDACTED]
