Dear [Redacted]:

Re: Town of Tonawanda Landfill

Enclosed is a copy of a New York State Department of Health (DOH) letter which transmitted DOH's comments to the DEC regarding the Technical Memorandum, Radiological Human Health Assessment for the Town of Tonawanda landfill. At the time of the DEC's last meeting with the USACE this letter was only available in draft and therefore was not being released. Subsequent to that meeting the letter was obtained in final and a copy of which was never sent to the USACE. This letter resolves that oversight.

If you have any questions or would like to discuss this further, please contact me at the above telephone number.

Sincerely,
