[REDACTED] asked me to contact you regarding comments the USEPA had submitted in 2004 on the Remedial Investigation for the FUSRAP Tonawanda Landfill Vicinity Property. I checked in our records, and found that the Corps of Engineers did provide responses to the comments from USEPA in 2004 (please see below and attached file).

I will give you a call to see if you have any further questions.

Tonawanda Landfill Team:

Attached are responses to all of the stakeholder comments received on the Remedial Investigation Report for the Tonawanda Landfill FUSRAP Vicinity Property, Tonawanda, New York. The Remedial Investigation Report will be revised in accordance with these responses. If there are any questions regarding the responses, feel free to e-mail or call me at 716-879-4287. A conference call can be scheduled if needed to discuss them. Thank you.
