Dear Ms. [REDACTED]

This letter is to follow up on the phone call I had with you on May 11, 2006 regarding the questions you posed to State Senator [REDACTED] regarding the Tonawanda Landfill Formerly Utilized Sites Remedial Action Program (FUSRAP) Site.

As I discussed with you, the Corps' Buffalo District currently has no activities at the Tonawanda Landfill, and your questions on the activities at the site should be referred to the Town of Tonawanda who owns, operates and maintains the landfill.

I understand your interest in our investigations of the Tonawanda Landfill. As I indicated the Tonawanda Landfill Remedial Investigation Report can be viewed at the Tonawanda Public Library at 33 Main Street in the City of Tonawanda or by accessing our website, www.lrb.usace.army.mil/fusrap and linking to the Tonawanda Landfill Site. I assure you we will notify you and the residents of Hackett Drive by letter, and also inform the community via newspaper ads and notices when our public meeting is held to present our Proposed Plan for this site.

A copy of this letter has been furnished to the Honorable [REDACTED]. If you have additional questions, feel free to call me at 879-4245. You can also call Mr. [REDACTED], the Project Manager for the Tonawanda Landfill site at 879-4287.

Sincerely,

SIGNED
