[REDACTED]  
This letter is in response to your letter dated 12 February 2007, to Mr. [REDACTED] Program Manager for the Formerly Utilized Sites Remedial Action Program (FUSRAP), regarding the Proposed Plan for the Tonawanda Landfill Vicinity Property.

In regards to your first request; the Corps of Engineers will send two copies of the Proposed Plan to the City of Tonawanda when it is released for public review and comment. The Corps of Engineers will also place the Proposed Plan in the Administrative Record File for the Tonawanda Landfill Vicinity Property, located at the City of Tonawanda Public Library, for public review.

Regarding your request for an extension of the public review and comment period on the Proposed Plan; the Corps of Engineers is willing to extend the public comment period to a total of 90 days. In conjunction with this extension, the Corps of Engineers will also reschedule the public comment meeting from late March to late April 2007, so that it falls toward the middle of the 90-day review period. This will allow the public more time to review the Proposed Plan before the public comment meeting.

If you have any questions, feel free to contact me at 879-4200; or the Project Manager for the Tonawanda Landfill Vicinity Property, [REDACTED] at 879-4287.

Sincerely,

[REDACTED]

Lieutenant Colonel, Corps of Engineers  
District Commander
