SUBJECT: Record of Decision for the Mudflats Operable Unit of the Tonawanda Landfill Vicinity Property

Mr. Nidal Azzam
USEPA Region 2
Radiation and Indoor Air Branch
290 Broadway
New York, NY 10007-1866

Dear Mr. Azzam:

I have enclosed a copy of the Record of Decision (ROD) for the Mudflats Operable Unit of the Tonawanda Landfill Vicinity Property, located in the Town of Tonawanda, New York. The Landfill Operable Unit of the Tonawanda Landfill Vicinity Property will be addressed separately.

The Record of Decision states that no action is warranted on the Mudflats Operable Unit because the human health risks, for all media, from radium, uranium and thorium present, are within the risk limits established in the National Oil and Hazardous Substances Pollution Contingency Plan (NCP) for both the current and reasonable future site uses. The Corps has identified the reasonable future site use for the Mudflats Operable Unit as commercial/industrial.

This document is a product of the USACE environmental response project conducted under the authority of the Formerly Utilized Sites Remedial Action Program (FUSRAP). USACE is the lead federal agency executing FUSRAP. USACE conducts FUSRAP projects in accordance with the governing federal law – the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA).

The Record of Decision has been placed in the Administrative Record File for the Tonawanda Landfill Vicinity Property which is available for review in the Tonawanda Public Library, 333 Main Street, Tonawanda, NY 14150. It is also available for review by appointment at the Buffalo District Office Library located at 1776 Niagara Street in Buffalo, New York.

This letter is being distributed to the enclosed list of recipients. If you have any questions please contact my Project Manager, Mr. Stephen Buechi by telephone at 716-879-4287. Additionally, the Buffalo District provides the public a toll-free telephone number (1-800-833-6390), email address (fusrap@usace.army.mil) and internet site (www.lrb.usace.army.mil/fusrap) to provide information on FUSRAP projects.

Sincerely,

A solid black rectangular box redacting the signature of the FUSRAP Program Manager.
