Special Studies - Naples, Ontario County, NY

Section 206 of the 1960 Flood Control Act, as amended
General Investigations

Location

- The village of Naples is located in Ontario County near the mouth of Canandaigua Lake

Project Description

- A Special Study will create a hydrologic and hydraulic model for Grimes, Eelpot and Naples
- The study will determine the 1% and .2% chance of exceedance (100 and 500-year flood plain) in the area

Importance

- Updated flood plain information will assist local officials in zoning and flood plain management in the village

Consequences

- Without an updated study the village will not have accurate and current flood plain information
