FACT SHEET

February 2016

OGDENSBURG HARBOR - NY

Small Navigational Projects

Section 107 of the River and Harbor Act of 1960, as amended.
Construction General (Continuing Authorities Program)

Location

- Ogdensburg Harbor is located at the mouth of the Oswegatchie River in Ogdensburg, NY in St. Lawrence County

Project Description

- Provides for improvements to navigation, including dredging of channels, widening of turning basins, and construction of navigation aids
- Potential navigation improvements include deepening of Lower East Channel and Lower Basin
- Feasibility phase is cost-shared 50% Federal and 50% non-Federal

- Design and Implementation cost sharing is 65% Federal and 35% Non-Federal (25% during Construction, 10% over no more than 30 years after Construction)

Importance

- The Port of Ogdensburg is the only U.S. port on the St. Lawrence Seaway

Consequence

- Without navigation improvements, the inadequate depth of the Lower East Channel and Lower Basin ship berthing will persist, which causes unnecessary congestion, increased handling costs, and lost business opportunities

Project Phase	Est. Fed. Cost of Phase	Federal Funding through FY15	FY16 Requirement	FY16 Budget	FY17 Requirement	FY17 Budget
Feasibility ¹	\$500K	\$426K	\$0	\$0	\$0	NA
Design & Implementation	TBD	\$0	\$0	\$0	\$100K	NA

(1) First \$100k is at 100% Federal expense.

Project Sponsor/Customer

- Ogdensburg Bridge and Port Authority Letter of Request on March 20, 2009

Congressional Interests

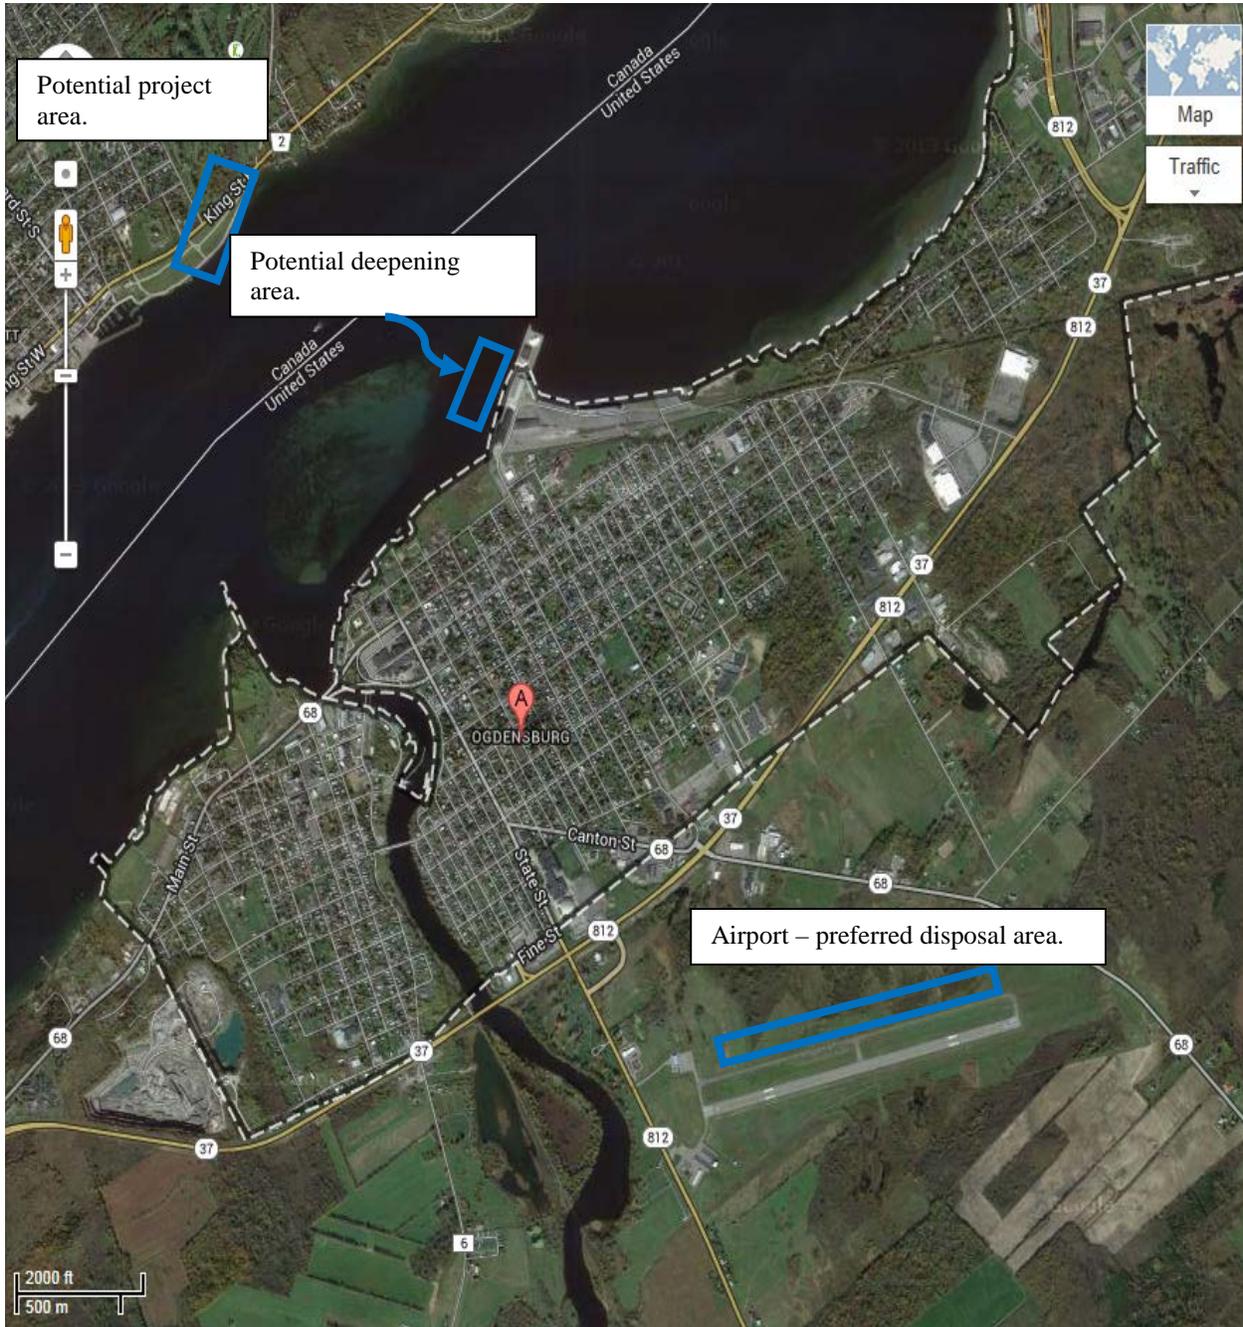

- Representative Elsie Stefanik R-NY-21
- Senator Kirsten Gillibrand D-NY
- Senator Charles Schumer D-NY

Current Status

- Draft Detailed Project Report is being finalized and Agency Technical Review is in progress.
- Completion of Final Detailed Project Report to be completed by SEP 2016

Issues

- None
