

News from the Corps

Sent: Fri 8/1/2008 2:07 PM

Hello from the Buffalo District of the US Army Corps of Engineers:

The purpose of this email is to let you know that the Buffalo District Commander, Lieutenant Colonel Daniel B. Snead, met yesterday with Dr. Joe Gardella, Chair of the Steering Committee for the community group, LOOW Restoration Advisory Board, to discuss issues, goals, and the outreach program for the former LOOW and NFSS. The meeting was positive and many important topics were covered.

For your information, a follow-up letter from LTC Snead to Dr. Gardella may be found on this link to our website: <http://www.lrb.usace.army.mil/derpfuds/loow-nfss/#Documents>

We will soon be seeking your input to help us plan the Corps outreach activities over the next 24 months.
