Hello from the U. S. Army Corps of Engineers Buffalo District,

We will be available to discuss the results of the Lake Ontario Ordnance Works Site (LOOW) Phase IV Remedial Investigation on Wednesday, November 30, 2011, at the Lewiston Senior Center at 4361 Lower River Road, Youngstown, NY 14174 beginning at 6 p.m.

The purpose of this investigation was to define the nature and extent of Department of Defense (DoD) contaminants within the Waste Water Treatment Plant portion of the former LOOW Site which is currently owned by the Town of Lewiston.

The report and a fact sheet are available on our website:
