**RE: Notice of Reissuance of Nationwide Permits
Federal Register (67 FR 2020-2095) January 15, 2002**

Dear Mr. Collinson:

The Ohio Department of Natural Resources (ODNR) has completed a review of the U.S. Army Corps of Engineers Nationwide Permits Program to determine whether their use is consistent with the Ohio Coastal Management Program (OCMP). The following contains the OCMP's consistency response regarding the U.S. Army Corps of Engineers Nationwide Permits Program:

- I. Based on the information submitted, ODNR conditionally concurs (agrees) with the U.S. Army Corps of Engineers' consistency determination for the following nationwide permits (provided all state permits, licenses, leases and approvals are obtained for the project):

Nationwide Permits 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 18,19, 20, 21, 22, 23, 24, 25, 26, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43

- II. Pursuant to 15 CFR 930.41 and 15 CFR 930.42, and based upon the information submitted, the Ohio Department of Natural Resources does not concur (disagrees) with the U.S. Army Corps of Engineers' consistency determination for the following nationwide permits:

Nationwide Permits 17, 27 & 44

We appreciate the opportunity to provide these comments. If you have any questions, please contact Ms. Kim Baker of the Division of Real Estate and Land Management (REALM) (614/265-6411) at your convenience.

Sincerely,

Paul R. Baldrige,
Chief, REALM
