SUBJECT: Technical Outreach Services for Communities Review Committee

Dr. Nils Olsen, Jr.  
650 Main Street  
Youngstown, NY 14174-1258

Dear Dr. Olsen:

As requested during the June 13 meeting of the Restoration Advisory Board for the former Lake Ontario Ordnance Works Site, I am forwarding the following references for the Technical Outreach Services for Communities (TOSC) Program that were received from Mr. Bill Librizzi, TOSC director. Mr. Librizzi can be reached at (873) 596-5846, if you have any questions for him. His e-mail address is: librizzi@admin.njit.edu.

I am also enclosing information regarding the TOSC Program that I downloaded from the web.

The references are:

1. Carolyn Vadala, the Point of Contact (POC) for Westinghouse, which is located in Bloomfield, NJ. Ms. Vadala can be reached at (973) 748-525 1. Westinghouse contained chemical and radiological contamination.
2. Mike Hutchinson, the POC for the Peter Cooper Project of the Cattaraugus Creek Basin Task Force. The Peter Cooper Project is located in Gowanda, NY, and Mr. Hutchinson can be reached at (716) 532-593 1.
3. Patricia Meinhardt, MD is the POC for the Elmira South Side High School. Dr. Meinhardt can be reached at (607) 737-4539. This project involved health issues.

The contact information for the review committee is:

1. Mr. Darwin James Langlois (716) 754-2934
2. Mr. William Roger Angus (716) 754-1853
3. Mr. Joseph Passanese (716) 285-5905
4. Mr. Gary Smith (716) 754-8226

SUBJECT: Technical Outreach Services for Communities Review Committee

Mr. Langlois will be contacting you shortly to determine who will be checking the references and will let me know if I can be of any assistance in scheduling conference calls.

If you need any further information, I can be reached at (716) 879-4438.

Sincerely,

A handwritten signature in black ink that reads "Arleen K. Kreusch". The signature is written in a cursive style with a large initial 'A'.

Arleen K. Kreusch, CT
