Lake Ontario Ordnance Works Restoration Advisory Board Members:

I am pleased to inform you that funds will be made available for eligible cleanup activities under the Defense Environmental Restoration Program for Formerly Used Defense Sites at the former Lake Ontario Ordnance Works site this fiscal year. This cleanup activity includes completion of the cleanup of the waste pipelines at the former Ordnance Works and a contract for the second phase of the remedial investigation of the site.

I look forward to briefing you on these developments at our next meeting scheduled for April 12, 2000.

Sincerely,

Raymond L. Pilon
Project Manager
