

January 18, 2001

SUBJECT: Contract No. DACW49-00-D-0002 D.O. No. 0002,  
Payment Application No. 7

Mr. Brian Moore, C.O.R.  
USACE Buffalo District  
1776 Niagara Street  
Buffalo, NY 14207-3199

Dear Mr. Moore:

In Payment Voucher no. 7 you will find that Sevenson has not billed the USACE for the fixed fee for this portion of the project. It is our understanding that the fixed fee paid to the contractor is directly proportional to the percentage of the work completed. We estimate that we are approximately 95% done with all work to be performed under this contract and we have billed the fee accordingly. Sevenson will bill the USACE for the remaining fee, up to \$105,270.00, at the time when all fieldwork has been completed. Sevenson will not pursue any additional fee for expenses above the initial contract amount of \$1,610,892.00. If there are any further questions or comments please call.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew M. Sceusa', is written over a horizontal line.

Matthew M. Sceusa  
Project Engineer.
