Don:

I am scheduled to meet with attorney's for Mr. John Syms to discuss his refusal to provide a right of entry for us to do work on this property on March 20th at 1:00. Michele and I discussed the issue with Ms. Shaw yesterday.

We are planning to hold two technical planning sessions for the Linde Tonawanda Landfill RI/FS, and Linde Building 14 and Groundwater feasibility addendum the following two days.

Are you available to attend these meetings.

I imagine we will want to modify the currently proposed right-of-entry that was prepared by your office in October 1999 to include the RI/FS activities. We will need that fast.

Ray Pilon
