Dear Mr. Phoenix:

The Army Corps of Engineers is establishing a Restoration Advisory Board (RAB) for the Lake Ontario Ordnance Works site in Niagara County, New York. We received a large response from interested community members and are convening a selection panel to review the RAB applications and select candidates to serve on the board. We were hoping that you would be willing to serve on the selection panel. The intent is to strive for a good cross-section of interests to be represented on the Restoration Advisory Board.

The selection panel meeting will be held on Tuesday, May 25, at The Cameo Manor located four miles north of Lewiston at 3881 Lower River Road (Rt. 18F), Youngstown. The manor's phone number is 716-745-3034. Dinner will be served starting at 6:00 p.m. and the meeting will run from 7:00 to 9:00 p.m.

If we have not contacted you by phone, please respond to us by May 21 to let us know if you will be able to serve on the selection panel. We thank you in advance for your participation and interest. If you have any questions, please contact me at 1-800-232-7074.

Sincerely,

Sandra Chaloux
