Project Management

SUBJECT: Former Lake Ontario Ordnance Works, Niagara County, New York

Mr. Alan Warminsky  
U.S. Army Corps of Engineers  
Baltimore District  
Crescent City Building  
10 South Street  
Baltimore, MD 21201

Dear Mr. Warminsky:

Enclosed for your information is a copy of Mr. Clinton L. Anuszewski's response to the October 7, 1998 letter he had received from Mr. Kent D. Johnson of the New York State Department of Environmental Conservation, which provides information on the Corps' project management structure.

As project manager for the former Lake Ontario Ordnance Works site, I am committed to ensuring that work is done expeditiously, efficiently, and safely, with the protection of human health and the environment our top priorities. The experience brought to this project through the teamwork of the Buffalo, Baltimore, and New York Districts of the U.S. Army Corps of Engineers enables us to be responsive and reliable.

Please be assured of my personal commitment to the success of the Lake Ontario Ordnance Works project. If you have further questions, please do not hesitate to call me at (716) 879-4146.

Sincerely,

  
Raymond L. Pilon  
Project Manager
