15 September - 26 October	8:00 am - 4:00 pm 7 days per week
27 October – 15 November	8:00 am - 4:00 pm Monday – Friday
15 November-31 December	Closed for repairs

Commercial traffic will be accommodated on a 24-hour basis with prior notification. Questions on lock operations may be directed to the Black Rock Lock during scheduled operating hours by calling (716) 879-4403.

Personal Flotation Devices (PFDs) are required for all personnel under 16 years of age during the approach and while transiting the Lock and are recommended for all vessel crew members and passengers.

The Black Rock Lock Channel extends from Buffalo Harbor to the Black Rock Lock. It is three and one-half miles in length. The Federal navigation channel has a minimum width of 200 feet. Pleasure crafts are required to yield the right-of-way to commercial vessels due to the confined waters of the channel.

The Black Rock Lock and the Black Rock Channel provide safe passage for vessels to travel between Buffalo Harbor and Tonawanda Harbor around the reefs, rapids and fast currents that exist in the upstream portion of the Niagara River.

In combination with the New York State Erie Canal, Black Rock Lock and Black Rock Channel provide an inland water route between Lake Erie and the Atlantic Ocean. Branch canals in the New York State canal system provide vessels access to Lake Erie and Lake Champlain.
